February 3 – April 20, 2021

Monday – Friday 9:00 – 3:00 pm

Hybrid (in-class @ EA Lovell and on-line)

Dual credits count for both the Ontario Secondary School Diploma and college credit. Study grade 11 Biology (SBI 3C) in the morning and get a head start with Durham College's Anatomy and Physiology credit in the afternoon all at one location! The perfect combination for adults seeking post-secondary health focused programs!

Apply now!

Complete an application via dce.ca by January 8, 2021 for equal consideration for this exciting opportunity!
