

APRIL 21 – JUNE 23, 2021
MONDAY – FRIDAY
12:30 – 3:00 PM

PREPARING FOR ACADEMIC SUCCESS

Adult Dual Credit

Become an active agent in your own post-secondary school journey. If you are considering college in the future or are gearing up to attend this coming year, develop success skills to propel you towards your personal and career aspirations. Learn in-class in-person, or on-line synchronously, or choose a combination of both. This free Durham College credit course, offered in partnership with Durham Continuing Education, also counts towards the Ontario Secondary School Diploma so you can use it to graduate if needed.

For information or to register go to: www.dce.ca and complete the on-line form indicating your interest in the adult dual credit program.
