

## Requirements for eLearning – Updated April 2022

### *Recommended Desktop/Laptop Support*

- Internet access - You must use Google Chrome (current version) **as the browser for your eLearning course**. You may experience issues with Firefox, Internet Explorer, Edge or Safari and as such, these browsers **are not recommended**. *It is your responsibility (not that of your teacher or Durham Continuing Education) to resolve issues you may be experiencing due to the internet browser and/or software you are using.*
- Adobe Acrobat Reader 9 or better
- Windows Media Player 11 or better
- A current version of the Java virtual machine
- A DSL or better connection to the Internet

### *Recommended Tablet/Mobile Support*

- Android™ 4.4 with Google Chrome™ browser (latest version)
- Apple iOS® with Google Chrome™ browser (latest minor version or point of release of that major version)
- Windows®10 with Google Chrome™
- Brightspace is optimized for mobile devices – Android 4.4 or later, iOS® iPhone® 5 or greater, and iPod® 5<sup>th</sup> and 6<sup>th</sup> generation
- *It is your responsibility (not that of your teacher or Durham Continuing Education) to resolve issues you may be experiencing due to the internet browser and/or software you are using.*

### *Additional Software*

- A typical “Office” suite of applications: specifically, a word processor application, spell checker, equation editor, and a spreadsheet application are mandatory. Students may have access to Office 365 through the D2L portal. Students can also download “Open Office” to use - <https://www.openoffice.org/>
- *It is your responsibility (not that of your teacher or Durham Continuing Education) to resolve issues you may be experiencing due to the internet browser and/or software you are using.*
- It is recommended that up-to-date virus, spyware, and adware protection be implemented, as required by the school board.

### *Additional Hardware*

Some courses may require additional hardware, such as;

- Access to a printer;
- Access to a scanner; and
- A process to store files, or access to cloud or one drive spaces.

**NOTE:** Use of a laptop or desktop computer is **REQUIRED** for this program. The program is not designed for completion on a cell phone.
