

Durham Continuing Education Code of Conduct

Students are expected to follow the rules established by the summer school principal, and *Durham Continuing Education (DCE)*.

Attendance

Students' attendance at summer school must be regular and punctual. The hours for credit recovery/upgrading and new credit courses follow Ontario Ministry of Education guidelines. The summer school principal will rule on all unsatisfactory attendance or other serious infractions of school rules. Due to the concentrated time and workload of summer school, any serious infraction of the attendance rules, including the following, may result in immediate dismissal:

- In face-to-face classes, the equivalent of more than one ½ day absence in credit recovery/upgrading 0.5 credit courses (CHV2O1/GLC2O1), one full day absence in credit recovery/upgrading courses or new credit 0.5 credit courses (CHV2O1/GLC2O1), or two full days in new credit or cooperative education courses; **late arrival and sign-outs are ½ day absences,**
- In eLearning classes, failure to communicate with eLearning teachers each day – Monday to Friday for the duration of the program,
- skipping or excessive absences from the classroom or eLearning program without permission or notification.

Regular attendance and punctuality are essential. A note signed by a parent or guardian must explain all absences. Medical documentation may be requested for missed quizzes, tests, or summative evaluations.

Note: (New Credit and eLearning only) Summative evaluations including **final exam dates CANNOT be changed.** Students' attendance on these dates is **MANDATORY – no exceptions.** Dates are noted in the program overview.

Student attendance in non-credit granting programs is necessary for student learning and student success. Every attempt should be made to attend daily. Any planned absence should be discussed with the teacher and/or summer school administration.

Course Choice

Current secondary students **MUST** seek approval from their home school prior to registering for summer school. The home school is responsible for ensuring the eligibility of the student to take the chosen course.

Adult students may consult with a guidance counsellor at DCE, however, it is the responsibility of the student to ensure they are enrolling in the correct course(s). Students preparing for post-secondary studies should consult the Ontario College Application Service or the Ontario University Application Centre to confirm they are registering in the proper course(s) to meet entry requirements.

Dress Code

Students should wear appropriate clothing that meets the school community's expectations of modesty and decency and promotes a safe and respectful environment. Clothing that contains slogans or references to alcohol, drugs, sex, profanity, racism, or violence is not allowed. Hats, bandannas, or other headgear are not to be worn inside the school building (unless for religious or medical reasons). Failure to comply with the dress code may result in the student being sent home to change into appropriate clothing.

Plagiarism

Plagiarism is the presentation of another's words and/or ideas, as one's own original work. Students must not copy another person's work or ideas without appropriate use of footnotes (as instructed by the teacher). Students demonstrate personal integrity when they acknowledge which are their words and/or ideas, and where they may have relied on someone else's. **Plagiarism is academic dishonesty.** Should a student fail to acknowledge the borrowing of words and/or ideas, he/she may receive a mark of 'zero' on any assignment in which plagiarism occurs (parents contacted where applicable).

Late/Missed Assignments/Evaluation Policy

In accordance with *Growing Success* (pg. 43), students are “*responsible not only for their behaviour ... but also for providing evidence of their achievement of the overall expectations with the timeframe specified by the teacher, and in a form approved by the teacher*”. Consequences for missed assignments and late submissions are as follows:

Missed Assignments:

- Unit assignments will be represented by a mark of ‘zero’ until they are handed in or until the end of the unit that the assignment pertains to. If a unit assignment is not submitted by the end of the unit assessment, the teacher should consider it as a permanent mark of ‘zero’ unless alternate arrangements have been made prior to the deadline.
- Summative assignments will be represented by a mark of ‘zero;’ until they are handed in or until the end of the course (i.e., final exam day). Teachers are not required to evaluate such assignments after the end of the course unless alternate arrangements have been made with the teacher prior to the deadline.
- Missed minor assessments (i.e., quizzes/minor tests) should be written on the first day back from absence. Missed major assessments (i.e., unit tests), will require documentation. With valid documentation, tests or alternate assessments should be completed on the first day back from absence unless other arrangements have been made with the teacher.

Late Assignments:

- All late assignments must be submitted. Assignments submitted after the end of the unit may not be evaluated and may result in a permanent mark of ‘zero.’
- For each late assignment, penalties of up to 10% per day may be deducted to a maximum of 50% of the total value of the assignment unless alternate arrangements have been made with the teacher.
- Late assignments due to a valid documented reason of absence are due the first day back from absence with no penalty.

Preparation for Class

Students are expected to arrive on time for each class. Students should come to class prepared with the proper texts, notes and equipment and completed homework/assignments.

Parking

Limited student parking will be available. Students will NOT be allowed to gather at or in vehicles during the break(s). Students should consult with the site administration to identify the appropriate parking area adjacent the school.

Prohibited Items

Illegal substances, alcohol or weapons will NOT be brought to school. Failure to comply may result in the removal of the student from summer school, involvement of the police, and possible expulsion. Laser pointers, fireworks, and skateboards are also prohibited, and should not be brought to the summer school sites. All personal electronic devices MUST be turned off in class unless being utilized for learning as directed by the teacher. **Summer School is not responsible for loss or damage to personal items.**

Note: for students who used a skateboard to travel to and from school, the skateboard MUST be left in the summer school office during instructional hours.

Respect for Authority

Students are expected to comply with the rules of the school and with the expectations of all the staff in the school building and on the grounds. The *staff* in the school includes administrators, teachers, secretaries, tutors, security personnel and custodians.

Respect for Others

Students are expected to be courteous, kind, and considerate to others and to model those behaviours on a consistent basis. Students will respect the privacy of others. Any form of violence or harassment may result in removal from summer school, expulsion, and/or police intervention.

Respect for Property

Students are expected to treat the school buildings, grounds and equipment with respect and care. Any students responsible for damage to the facilities, equipment or resources of the school will be expected to make reparations for such damage.

Respect for Self

Students are expected to come to school free from the influence of alcohol or illegal substances. Students are also forbidden to use and carry such prohibited substances to school or on school property. Students are expected to strive for achievement with integrity.

Smoking (including Vaping)

The Ontario Ministry of Education, Durham District School Board (DDSB) policy and provincial legislation prohibit smoking or the holding of lit tobacco or other matter on school property. The fine imposed by the enforcement officer is up to \$1000.00 per smoker per violation.
