

Expectations of Remote Learning students:

- You are expected to login to your course for a minimum of 6 hours per day (Monday – Friday). **Failure to participate daily may result in removal from the course.** Additional time may be required for assignment completion. The time required to complete a Remote Learning course will be similar to the time required to complete the same course in a face-to-face environment.
- You are responsible for checking announcements and emails for updates.
- It is important that you communicate on a regular basis with your teacher. Your teacher will post 'office hours' at the beginning of each week. **Teachers are not required to be available on weekends.**
- Course outlines list the required assignments and deadlines. You are responsible for making sure all assignments are completed, and submitted by the deadlines assigned. The short timeframe of Summer School will not allow for extensions and therefore failure to complete work as per the timelines established may result in removal from the course.

Please note that the DDSB acceptable use policy applies to all Remote Learning courses, as does the Durham Continuing Education Code of Conduct.
